CVNA Setting Big Goals for 2017

Greetings Neighbors! We hope 2017 is off to a great start for all of you. As a board, we look forward to actively connecting with community members, partnering with businesses and organizations, and collaborating with the City of Atlanta on behalf of Capitol View in a manner that keeps all parties engaged and accountable. Our major points of focus for the year will be economic development, community engagement, and quality of life. We also want us, as a neighborhood, to have lots of fun!

There are some exciting activities already happening! Our March meeting will be focused on our senior citizens. It will be a day to show our appreciation to our elders and assist with matters most important to them, such as senior social opportunities, property tax advice, transportation assistance to meetings, and a host of other resources. While senior-focused, this meeting is for all. Neighbors will be able to provide ideas and feedback about the mural to be painted in our neighborhood. It is a great opportunity to learn some history about our neighborhood and forge new friendships.

Additionally, we are fortunate to have an approved Strategic Plan for Capitol View. We will work extensively with our Community Action Teams (CATs) to ensure initiatives and actions are aligned with the areas of focus outlined in the plan. Please know, we greatly welcome feedback from you. Feel free to contact us at any time with ideas and suggestions on implementing the Strategic Plan specifically and for Capitol View in general.

We hope that you will join us at continued on page 3

Volunteers Needed To Help Build Community Cart

CVNA is seeking volunteers to help build and manage a cart similar to the one above.

Let's do some community building--literally! CVNA is seeking volunteers interested in helping to design and build a Neighborhood Cart which will be available for neighborhood events and--once we figure out the details--for the use of individual neighbors who may find it useful for their entrepreneurial endeavors! The CVNA applied for and received \$2,500 in grant funding from the Lakewood Amphitheater Finance Committee this past Fall. We would like to complete the building process this Spring.

No prior building experience necessary (but if you have skill or knowledge, that's GREAT, too!) Please contact Sarah Stein at sarah.ilene@ gmail.com to express interest.

CVNA SEEKING COMMUNITY TEAM MEMBERS

Change is a comin', and the CVNA Strategic Vision Committee is working hard to ensure our community is inclusive and moving forward in a direction that benefits all. A Strategic Vision Plan, written by members of the CVNA Strategic Vision Committee, was approved at the February CVNA meeting. The plan identifies 6 areas of priorities: Community Stability & Inclusiveness; Economic Development; Community Building, Association Operational Effectiveness; Education & Learning and Safety & Quality of Life. These priorities now make up the CVNA's initiatives for 2017 and will be carried out through volunteer Community Teams. These teams need volunteers with all continued on page 3

MLK JR Day Garden Service Project

Volunteers worked together to build an outdoor sink and two new beds in the Capitol View Community Carden on January 16. The service project was done in recognition of Martin Luther King Jr. Day. The garden is located at the corner of Athens Avenue and Deckner Avenue. If you're interested in having a bed in the garden, please contact Councilwoman Joyce Sheperd's office for more details.

Input Needed For Community Mural

The corner of Metropolitan and Dill will be getting a face lift by way of a mural on the old Capitol View Masonic Lodge. Local artist Ashley Thomas (through Councilwoman Joyce Sheperd's office) secured a grant to complete the murals. Thomas, whose style is known for its bold colors, is a Sylvan Hills Resident and has completed several murals in and around Atlanta.

Thomas has not started on a concept for the mural but will be in attendance at the March CVNA meeting to gather feedback.

The artist is looking to draw inspiration from these questions• What symbols do people feel represent the community?

• What concepts and ideas do people have about the community?

• What do the people and families of CV look like?

• Are there lines of poetry or quotes that encompass what CV is now or will be in the future?

If you are unable to attend the next CVNA meeting, but would like to submit your input, please email secretary@capitolview.org.

CVNA Meeting Recaps

January

The January CVNA meeting started with a warm welcome from the new board from 2017. The new board includes: Christie Peters, President; Jason King, Vice-President; Sagirah Jones, Secretary; Bob DeHaven, Treasurer and James Harris, Parliamentarian.

- Sgt. Cerul, the Zone 3 Day Watch Supervisor, provided a report from APD. In January, Capitol View had the lowest crime rate in the zone. Auto thefts were the prevalent crime for month. He informed residents about the "Clean Car" campaign, advising residents not to leave valuable items in their cars. Residents requested an alternative to calling 911 and increased visibility from APD.

- Mason West gave a presentation about the Nation's Builders Conference being held March 11, 2017. The event is free and open to the community. The conference teaches stakeholders of educational, civic, social, and economic organizations how to collaborate to transform their communities. www.nationbuildersconference.com

- Capitol View received a grant from the Lakewood Environmental Arts Foundation. The grant was awarded so that Capitol View can build a Community Cart for use by residents (sell goods). Sarah Stein is in charge
